than to a half dozen cheaper ones, and then it gives some encouragement for the better class of shows to come to this city. There are some who grumble because Janesville does not have more first-class entertainments, and yet, when one does come here, turn the cold shoulder, and keep on grumbling. It isn't fair.

A letter has been received by us from L. H. McFarlane, the managers of the Wisconsin Theatrical Circuit, explaining why the Mackay-Sylvester company will not give "Our Filartions" at the Opera House, to-morrow night. They lay all the blame upon the company; for they confidently expected them to fill their engagement, made all arrangements, advertised, etc., and yesterday morning were surprised to receive a telegram from the agent of the Mackay-Sylvester company, saying they had closed their season in South Bend, the night previous. L. H. McFarlane propose to keep faith with the Janesville people as far as in their power lies.

—Mosley has hired a new dry-garman to haul the baggage of the various shows which come to Janesville. There have only been two shows since the new man went on duty. One was Kate's Humpty Dumpty, which had among the baggage a little jackass. Tony Denier's troupe was the other, and they had also a little jackass. When "Colonel Sellers" trunks and boxes arrived to-day, the new man loaded them all up, and then commenced hunting about the depot, looking into every corner, and not finding what he wanted he hurried down to Mosley's and told him the jackass hadn't come. He was greatly surprised on learning that there could be a successful show without one, but submitted to the inevitable with due grace, and cancelled his arrangements with the owner of a stable where he expected to keep this necessary part of a show.

On and after Wednesday, Nov. 17th, trains on the Chicago, Milwaukee & St. Paul railway will leave for Broadhead, Albany, and Monroe at 12:50 P. M., 3:40 P. M., and 6:50 P. M. Trains will arrive from Broadhead, Albany, and Monroe at 8:30 A. M., 12:40 P. M., and 2:40 P. M.

**STEALING A WATCH.**  
Harry Williams, one of the actors at the Pavilion Varieties, was arrested last night on the charge of stealing a gold watch and chain from one of his fellow-actors, John Pierce. The theft was alleged to have been committed Saturday night while Pierce was asleep. Williams claims that it was lost in a game of cards, and there seems to be a good deal of drink, card-playing, friendly relationships, etc., mixed up in the matter, which Justice Nolan is this afternoon to unravel.

It is also suspected that Williams is guilty of stealing \$25 from a country gentleman named Thomas Dougherty, on Saturday night, as Dougherty missed the money after being with him. He has not been arrested on this charge yet, but this will probably follow the other proceedings.

**BELOIT LINE OPEN.**  
On Wednesday the Chicago, Milwaukee & St. Paul Railway will open their new line to Beloit for business. Three trains a day each way will be run, leaving Janesville at 10:10 A. M., 1:15 P. M., and 8:55 P. M., arriving at Beloit at 10:50 A. M., 2:15 P. M., and 7:35 P. M. Returning will leave Beloit at 7:45 A. M., 11:15 A. M., and 3:15 P. M., arriving at Janesville at 8:25 A. M., 11:55 A. M., and 4:35 P. M. The train leaving Janesville at 10:10 A. M., makes direct connection at Beloit with passenger train for Freeport, Rock Island, Davenport, Cedar Rapids, Kansas City, Omaha, San Francisco and intermediate points, also connects at Beloit with accommodation train for Darien, Delavan, Elkhorn, Racine, etc., &c. These trains will meet a long felt want and save tedious delays to persons going East or West on the Racine and South Western Division formerly known as the Western Union railway, but now a part of the Chicago, Milwaukee & St. Paul railway.

**MONUMENTAL ART.**  
We had our attention called yesterday afternoon to an elegant specimen of monumental art, which J. H. Hunkins has just completed, by order of Mrs. William Scott, to be placed on their family lot in the cemetery at Emerald Grove, where rest the remains of her husband, who died a year or more ago, from the effects of a fall. The monument is of Italian marble, and stands about eight feet high, giving a very massive appearance, and yet so uniquely designed as to add beauty and grace to strength. Its base and sub-base are square, solid, rich looking, and grace and beauty are added by the rising of four short columns, upon which rests a substantial top of the gothic pattern, surmounted by an urn. In the recess between these columns, and sheltered by this rich top stands a marble vase for flowers. The design is one of the finest we have seen, and the material and the work join in making it as skillful and pleasing, but of art as to be seen in this part of the country.

Mrs. D. Morrison, Fairbank Centre, P. O., writing about Dr. Thomas' Electric Oil, says: "George Bell used it on his son, and it cured him of Rheumatism, with only a few applications. The ballance of the bottle was used by an old gentleman for Asthma with the best results. It acts like a charm."

Sold by A. J. Roberts and Croft & Sherer.

## DIED IN JAPAN.

The sad news comes from Japan of the death of Mrs. W. W. Curtis, a missionary who went from this country, being the daughter of Elder Harris, of Evansville, and her husband being a brother of Mrs. Lorenzo Cheney, of Emerald Grove. Mrs. Curtis has been in the work for three years, and was most earnest and successful. At last a cancerous tumor caused her death, which occurred last month, and she was laid at rest on her twenty-fourth birthday, the 14th of October. From the address delivered at her funeral and published in the Hogo News, we quote a fragment:

"About two weeks ago, she learned from her husband that the physicians no longer entertained any hope of her recovery. This news was the beginning of a new life; the awful pain she had suffered left her, and for four or five days there was only a strong, quiet, divine joy, that is not very often witnessed on earth. She spoke to those who saw her, as though there was but one subject, that could be pleasant to introduce, and that was the heaven she had already seen, and to which she should be called in a few hours. She said 'I have had three or four of the most blessed days I ever knew, and am soon to have better and more glorious joys. I am in so great a hurry to go, that I should be sadly disappointed were I to stay here three or four days more.'

She gave little gifts to her friends, expressed her thanks fully for all the kindnesses she had received, and made, in her own delicate way, the arrangements for the funeral services. She asked especially that she might not be praised or eulogized. But she desired that God should have all the glory for his great mercies toward her, when she so little expected, or deserved them.

"As to the passage of scripture" she said, "I have no special choice. There are many appropriate places but if I might express a preference, I would take these two in the 24th chapter of Isaiah, verses 7 and 8."

**THE WEATHER.**  
REPORTED BY TELETYPE & EXPOSITION, DUNDAS, ONT.

The thermometer at 6 o'clock last night stood at 30 degrees above zero; at 1 o'clock A. M., to-day at 30 degrees above; at 7 o'clock A. M., at 10 degrees above, and at 1 o'clock P. M., at 14 degrees above. Snow last night, and cloudy to-day.

**PERSONAL.**  
—George Searchiff, Jr., is reported as much worse to-day.

—Dr. McCollister is again heard from in the temperance lecture field. This time it is Boone county, Ill.

—Rev. Dr. Huntley is spending a few days in the city, working for the interests of Lawrence University.

—Wm. M. Almy, of Fall River, Mass., is in the city, visiting Fennor Kimball and family, Mrs. Kimball and Mrs. Almy being sisters.

—Mr. Alwider, the tobacco buyer, is expected to reach Janesville about the first of next month, to spend the season here, as last year.

—A telegram from J. J. R. Tense, received by Wm. Rager to-day, states that Mr. Tense's son is a little better, and the doctor says that he will now gain.

—J. F. Cleghorn, of Clinton was in the city to-day. A compromise is being perfected, which it is believed will prove satisfactory to the creditors of his bank.

—Dr. George C. Clifton is here, having been spending ten days or more in Chicago, among the medical colleges, hospitals, etc., hearing lectures and witnessing interesting operations.

—Hon. Jno. A. Place, of Oswego, N. Y., called at the Gazette office to-day, in company with George J. Kellogg, whose guest he is. Mr. Place is treasurer of the Canal Commission at Albany, and for many years has wielded an editorial pen on the Oswego Times. He and his wife will from here to La Crosse, to visit friends there.

**INGALLS IS GUILTY.**  
In the Circuit Court the trial of Thomas Ingalls, for the larceny of some clothing from Fred Feltz's tailor shop, ended, yesterday afternoon, the jury bringing in a verdict of guilty. The offense was committed in October, 1878, and on first trial Ingalls was convicted, and sentenced to two years in the State prison. He had served about one year when he was granted a new trial, and last spring was brought back to jail here, where he has since been, and where he is now awaiting sentence. The new trial does not seem to have given him any relief.

To-day the Circuit Court is busy with the case of the State vs. James Riordan in which the defendant stands charged with assault with intent to kill. Most of our readers will remember the particulars of the stabbing affray which occurred on July 4th, 1879, in which young Maher was so savagely cut up, and which caused him to lie in a very low state for weeks at the Myers house, but from which he has at last recovered.

**JOHNSTOWN CENTER.**  
—Our husking days are nearly over. School will not commence until the 22d inst. Miss Ellen M. Groesbeck has the primary department.
